

1. Number of cities and municipalities where vulnerability and risk assessments were conducted	4	6	2	200	2								Annual Target - 12. Delay in fieldwork was due to the numerous requests from LGUs and other NGOs for the geological investigator/inspection for their proposed sites for building structures
2. Number of LGUs (cities/municipalities) provided with information, education, and communication campaigns on geohazards	2	6	6	235	0								Annual Target - 14. Still awaiting for the module to be provided by MGB-CO
3. Number of LGUs assessed for geohazards and vulnerability				24	1								Annual Target - 1
